Coega Development Corporation (CDC) has a wealth of built environment industry expertise which are making a significant impact in communities throughout South Africa by addressing skills shortages, unemployment, constrained planning & project management capacity, under-expenditure, sub-standard infrastructure, and inefficiencies through its project management services. In this way, the CDC has expanded its role from managing the Coega Special Economic Zone (SEZ) to acting as implementing agent on schools, hospitals and road-building projects, using its organisational expertise to drive socio-economic development in the Eastern Cape, KwaZulu-Natal, Western Cape, Gauteng, Mpumalanga and beyond.
