

Dear Colleagues

It has come to the attention of the COVID-19 Task Team and through observation that colleagues are lapsing in their adherence to the established protocols for COVID-19. Find below correspondence to remind you that we all bear a responsibility to keep each other safe during this pandemic at all times.

The CDC continues to maintain a safe working environment during the Alert Level 1 of the national lockdown, and employees **are still required to comply with the Department of Health Protocols on the corona virus and the CDC's COVID19 Protocols** which were published and available on the website, which includes amongst others **maintaining physical distancing, washing hands or sanitising regularly, wearing fabric masks at all times particularly when moving around the building and communicating with others face to face. Also be reminded that when not feeling well, stay at home and consult your doctor.**

We may now be under Alert Level 1, however the corona virus is still with us, therefore let us continue to keep safe, and courageous with the full belief that we have the power and resolve to defeat the sting of this virus.

For more information on CDC's Protocols on COVID-19, please visit COVID-19 Online Portal: <http://www.coega.co.za/DocumentList.aspx?cmd=browse&objID=80&catID=2065>. We welcome your suggestion on the CDC's anonymous online suggestion box: <http://intranet/Electronicsuggestionbox.asp>.

Kind regards,

COVID-19 Task team
