

Employee/Contractor Tested Positive during Implementation of the Operational Plan

IMPORTANT TO NOTE:

- The virus can survive on surfaces for a period of about 7 days. If it has been more than 7 days since the person with suspected/confirmed COVID-19 visited or used the facility, additional cleaning and disinfection will not be done.
- Use your access card that was issued to you whenever you access CDC sites and buildings, this will assist to trace and notify you in the case that you are identified as a close contact to a confirmed case of COVID-19; this may save your life and the lives of your fellow colleagues and families.

DO NOT USE OTHER EMPLOYEES' ACCESS CARDS TO ACCESS THE CDC BUILDINGS AND SITES.
