Coega Development Corporation (CDC) invites all interested Emerging Contractors residing at the Sarah Baartman District Municipality to register on the CDC SMME Contractor Development Database. CDC is currently conducting a database clean-up exercise to improve its efficiency and effectiveness and therefore requires service providers to express their interest by registering on our database. SMME companies that are already registered on the CDC database are requested to verify their information as soon as possible and to check whether their businesses are registered in the right category and all the relevant documentation have been updated.

IMPORTANT TO NOTE:

We will no longer be accepting any new applications for CIDB Grade 1’s as our database has reached the maximum capacity for this grade.

The SMME Contractor Development Database process consists of 3 phases, namely:

- **Phase 1** - Register on CDC SMME Contractor Database to create an active database of grade 2 – 6 Contractors;
- **Phase 2** - Invited to tender as and when opportunities within CDC projects become available within the immediate local Municipality. Eligibility will be notified through email, telephone and SMS; and
- **Phase 3** - Mentoring, Training and Development of appointed SMME’s during construction.

NB: Please, ensure your contact details are correct and updated on the CDC SMME Contractor Database.

Interested SMME’s are invited to attend a briefing as follows:

- a) 10 March 2020 at 10h00 am at Coega Accommodation and Conference Centre (VACC), also known as the Coega Vulindlela Village;
- b) Download the application form on the website www.coega.co.za;
- c) Verifying registration and compliance, email: smmedevelopment@coega.co.za, tel: 041 403 0610/0520; and
- d) Closing date for application: 20 April 2020 at 12h00 midday at Coega Business Centre, Coega Zone 1, Corner Alcyon and Zibuko Street, Coega SEZ.
